

Assigning Test Quick Guide for teachers

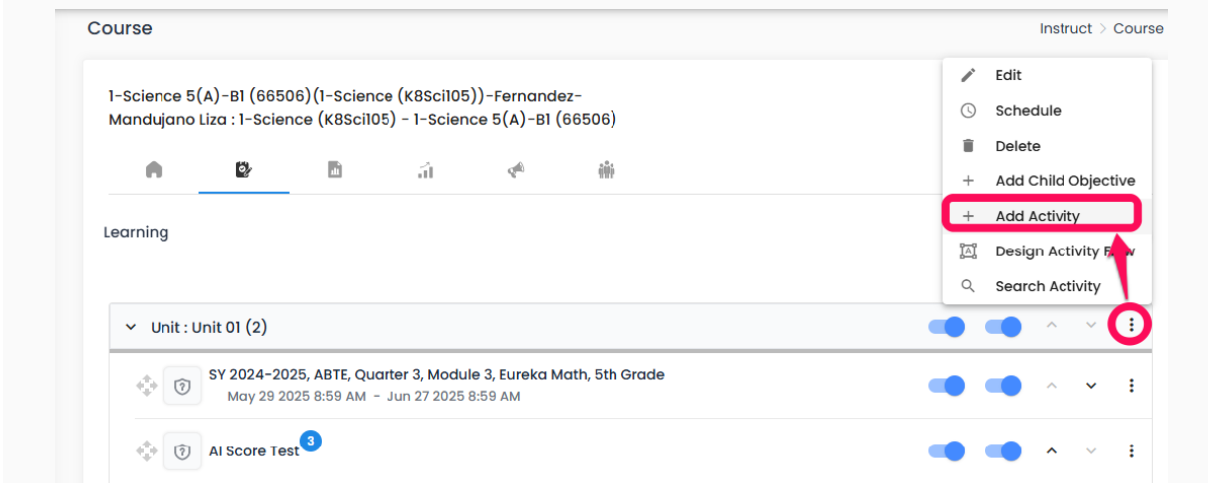

- Once logged in, from the left menu, within 'Learning Tree' section, select 'Instruct'.
- Then, choose the **Course** to which you want to assign the test.

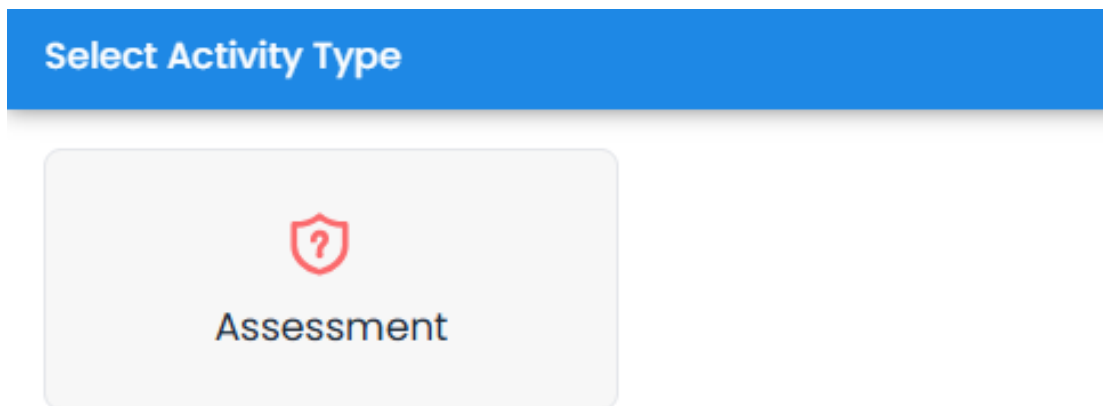

- Navigate to the 'Learning' page within the course.

- Click on the three dots against the unit and select ‘Add Activity’.

- Select assessment type as ‘assessment’.

- Search for the test, and it will direct you to the resources section where you or your organization created it. Give a click on '+' symbol to add it.
- Fill in the details. Enable or disable the required toggles accordingly. The title and description/comments you enter will be visible to students in the virtual classroom. You can edit this information at any time.
- Click on **save** once everything is done.

- Go to the learning page within the course. You can now find the assessment you added.

- Toggle the switch next to the assessment to **publish**. Once published, students will be able to view their assessments.
